Objectives

- What is privacy?
- Why does privacy matter?
- Access and privacy legislation
- Information and Privacy Commissioner
- Privacy best practices

What is privacy?

- Privacy is:
 - The right to be left alone
 - Autonomy to decide how your information is collected, used and disclosed

Why does privacy matter?

- Ensure confidence between the public and the local authority
- Ensures compliance with legislated authority
- Protects the safety and well-being of an individual
- Ensure the local authority is complying with their duty to protect

"HELLO, IS THIS THE DOCTOR'S OFFICE?," "THANK YOU FOR SENDING ME ALL THAT INFORMATION, BUT MY NAME ISN'T AMBER AND I'M PRETTY SURE I'M NOT PREGNANT!"
